DROP-OFF AND PICK-UP INFORMATION

Drop-off and pick-up for campers is at the group visits entrance located at the side entrance of the planetarium lobby. A parent or guardian will need to sign in/out when campers are dropped off and picked up every day. Campers will only be released to persons listed on the authorized pick-up list. A photo I.D. will be required by anyone picking up a camper (every single time they are picked up).

LUNCH

Each camper is expected to bring their own non-perishable, non-microwavable lunch and at least one snack (two if they are staying for extended day). For safety reasons, the museum will not be able to refrigerate or microwave any meals. The museum will not provide snacks.

- If you forget your camper's lunch, you may bring it by before 11:30a.m. and drop it off at the group visits window in the planetarium lobby.

WHAT TO WEAR

Campers should all wear close-toed shoes. We recommend a light jacket because some of the exhibits can be cold.

WHAT TO BRING

Lunch, a snack (two if staying for extended day), and an eagerness to learn! SCSM will provide all learning materials. Please keep all electronics (including cell phones), personal toys, stuffed animals and blankets at home.

IMPORTANT INFORMATION

A medical release and authorized consent pickup form must be on file for every camper. Please complete the release form prior to your camper's camp date or bring it with you on the first day of camp. Unfortunately, campers will not be able to participate in camp without a completed form.

If your camper is sick or you need to reschedule, the following applies:

- A written cancellation request must be received two weeks before the scheduled camp in order to receive a partial refund.
- No refunds will be issued for cancellations made with less than two weeks notice.
- If rescheduling is preferred, it is subject to space availability.
- The South Carolina State Museum reserves the right to reschedule or cancel any activity. A refund will be given if the museum cancels a camp.

For the safety of all campers, adults are not permitted to participate in SCSM camp activities. We recommend a quick hug at drop-off, an excited hug at pick-up, and avoiding visiting during the day, especially for new campers. Adults will not be permitted to visit classrooms during the day. Campers will be brought out to you once I.D. and authorization has been verified.
