Hello,

I am working on getting contact information and verifying nonprofit information for the upcoming earmarked appropriations that were approved in the budget. (Proviso 117.21 and 118.19). The State Museum Commission were approved to provide funds to North Myrtle Beach Area Historical Museum, and Town of Springfield Historic High School and Military Museum.

I have been able to find nonprofit verification for North Myrtle Beach Area Historical Museum but if you could help with assisting in a contact name and email that would be helpful.

For Town of Springfield Historic High School and Military Museum, from the research that I have done I believe this falls under Orangeburg County which is exempt from nonprofit status. Does this sound correct or is there another name that this Museum could be listed under? Do you have a contact name or email for this one as well?

Let me know if you have any questions and thank you in advance for the help.

Thank you,
Jada Burkett
